The Terry Fox Event at Georgetown School was very successful again this year. The students raised \$1154 for Cancer Research by collecting donations and online support for participating in the walk / run held at the school on September. Huge Thanks, for the organization of this event once again, by Mr. Maund. We had numerous students who raised individual amounts that were just amazing. The top fundraiser will be recognized and awarded a Terry Fox t-shirt at the School Awards Assembly on Thursday October 18th.
