## POSITIVE PARENTING from TWO HOMES

Positive Parenting from Two Homes for Kids is a school based program for children who are experiencing changes in their lives as a result of parental separation, divorce or parenting from two homes.

Mrs. Lank will be offering and co-facilitating this 5 session program.

Program will include education to show how children are affected by separation/divorce and how they usually respond (normalizing feelings); as well as emotional support to identify and share their feelings with other students with common experiences, while learning skills to cope with their feelings and manage their response.

Please contact Mrs. Lank at the school if you are interested in learning more or to register your student.

### Crib Club

The Grade 4/5 class has begun playing cribbage under the tutelage of self-proclaimed cribbage phenomenon, Mr. Brothers. This fun card game helps students improve mental math skills while also having fun and socializing with peers.

Recently, Crib Club has begun taking place after school as well. While Mr. Brothers, who recently awarded himself a Doctorate in Cribonomics, is there to play and mentor new players, many other staff members have been eager to participate as well.

If you have a student in Grade 4-8 who is interested in this after school club, available Tuesday and Thursday after school until 4:00, please have them inquire with Mr. Brothers, who is known far and wide throughout the land for his modesty.

## Co-Ed Soccer Team

Sign up for the co-ed soccer team being formed for students in Grades 4/5/6. Sign up sheet is located on Ms. Frasers classroom door.

This will be a semi competitive team that will play against other smaller schools (Cardigan and hopefully others) in the area. Parent Volunteers are also welcome to help with the coordination organization of this fun team!!!

## Bussing Note

I wanted to communicate with you about our bus times and situation. Since we share a bus with other feeder schools in the Montague family, we are directly impacted if something changes anywhere else. Since Cardigan has moved locations to Montague High School our times have been changed. We are still working out the afternoon times, but the morning time your child was picked up today (October 17th) should be an accurate time going forward. It may alter by a few minutes. The afternoon times will fluctuate. We do know that Tuesday and Thursday will be later by at least 10 minutes. I apologize for not having exact answers or exact bus times. We are working with the PSB to get more exact times. We appreciate your patience during this time and please reach out if you have more questions or concerns.
