Remembrance Day November 11 (No School)

Every year on November 11, Canadians pause in a moment of silence to honour and remember the men and women who have served, and continue to serve Canada during times of war, conflict and peace. We remember the more than 1,500,000 Canadians who have served throughout our nation's history and the more than 118,000 who made the ultimate sacrifice.

X-Country Provincials

We had 2 athletes from Georgetown Elementary School qualify at the Zone 4 Meet at Southern Kings Consolidated this fall. Jace Myers came in first in his division for Bantam aged boys and even won a special prize for being so fast he tagged the directional ATV that was supporting the students in the race! Maria MacKinnon had a 5th place finish at the zone meet and saved some energy for her Provincial X-Country Meet at Mill River. On Saturday October 25 Maria took home first place ribbon among all Intermediate aged girls across PEI. Congratulations Jace and Maria on your amazing race results!!!

MAGIC SHOW

Grade 4-6 Core French classes are looking forward to seeing the magical, interactive, entertaining and funny show by magician Remi Boudreau on

Friday, December 2nd at l'École la Belle Cloche in Rollo Bay.

POSITIVE PARENTING from TWO HOMES

Positive Parenting from Two Homes for Kids is a school based program for children who are experiencing changes in their lives as a result of parental separation, divorce or parenting from two homes. Mrs. KathyLank will be offering and co-facilitating this 5 session program.

Program will include education to show how children are affected by separation/divorce and how they usually respond (normalizing feelings); as well as emotional support to identify and share their feelings with other students with common experiences, while learning skills to cope with their feelings and manage their response.

Please contact Mrs. Lank at the school if you are interested in learning more or to register your student.

Crib Club

The Grade 4/5 class has begun playing cribbage under the tutelage of self-proclaimed cribbage phenomenon, Mr. Brothers. This fun card game helps students improve mental math skills while also having fun and socializing with peers.

Recently, Crib Club has begun taking place after school as well. While Mr. Brothers, who recently awarded himself a Doctorate in Cribonomics, is there to play and mentor new players, many other staff members have been eager to participate as well.

If you have a student in Grade 4-8 who is interested in this after school club, available Tuesday and Thursday after school until 4:00, please have them inquire with Mr. Brothers, who is known far and wide throughout the land for his modesty.

We are pleased to announce that we will be having a Christmas Concert on December 6 (storm date December 7) at the Kings Playhouse. The concert will begin at 6:30 p.m. and admission will be by donation. Proceeds will go towards purchasing new musical instruments. Spread the news, all are welcome!

Fire Drills and Lockdown:

The staff and students have gone through our fire drills and we are now going to be practicing Lockdown Drills in the coming weeks. We will be doing three school drills and then we will do a drill with our Liaison RCMP Officer. If there was a situation where the school population had to be evacuated from the school, the students and staff would go to the Kings Playhouse and parents would go to the rink for further information. We discussed the protocol at our Home and School meeting. If you have questions or concerns, please contact Sheryll at the school 902-652-8970 anytime.
